

In keeping with Niagara Peninsula Energy's pledge to make a difference in the communities where team members live and work and the importance of supporting educational and academic achievements of our Niagara Youth, we have established an Energy Student Award.

This \$1,500 Award is presented to students completing Grade 12 at a Niagara Regional High School with the intent to pursue energy-related studies at a College or University.

Some examples of Energy related studies include:

- Power Line Technician Course
- Electrical Engineering
- ACE Program
- Energy Managers
- Green Energy
- Other: \_\_\_\_\_
